

A SOCIAL HOUSING PLAN FOR NEWFOUNDLAND AND LABRADOR

- A strategic partnership of NL Housing and the departments of Human Resources, Labour and Employment, Health and Community Services and Justice
- Objective setting and the identification of strategic action priorities for this 10-year plan are guided by Ministerial and Deputy Minister committees that are supported by a cross-departmental working group.
- The Policy and Research Department supports and coordinates consultation, planning, policy development, and reporting activities for the Social Housing Plan.

POLICY AND RESEARCH ACTIVITIES

- Development of NL Housing's Strategic Plan and Annual Report
- Interdepartmental committee work on provincial strategies and initiatives
- Development of social housing policy and programs to address the needs of lower income individuals and families
- Research and analysis of best practices in social housing
- Federal/provincial/territorial liaison on housing issues
- Program evaluation
- Development of standards for data collection and reporting
- Support for evidence based decision making
- Information exchange and participation in research projects
